

## **For Immediate Release**

### **Stuart M. Altschuler CPF<sup>®</sup>, GCF Admitted into the National Speakers Association**

*(SAUGUS, MA – August 21, 2007)*

The National Speakers Association (NSA), the leading organization for experts who speak professionally, recently accepted Stuart M. Altschuler, CPF<sup>®</sup>, GCF as a professional member of the Association.

Altschuler is a professional speaker who talks on small business, retailing, picture framing and photo industry topics.

With over thirty years experience in running a small retail picture framing business, Altschuler has been speaking, teaching, and consulting for the past ten years.

To become an NSA member, Altschuler had to provide documentation of his professional speaking experience and agree to a strict code of ethics. NSA currently has more than 4,100 members in 23 countries.

"I am not only excited, but honored to be a part of such a prestigious group. Learning and sharing with these professionals will truly benefit my audiences," says Altschuler.

The National Speakers Association (NSA) is the leading organization for experts who speak professionally. NSA's 4,000 members include experts in a variety of industries and disciplines, who reach audiences as trainers, educators, humorists, motivators, consultants, authors and more. Since 1973, NSA has provided resources and education designed to advance the skills, integrity and value of its members and speaking profession. Visit NSA's Web site at [www.nsaspeaker.org](http://www.nsaspeaker.org).
